

Simon Bening
Book of Golf - Libro del Golf
The British Library, Add. ms. 24098

Deluxe facsimile edition

Simon Bening created this magnificent book of hours around 1530. For whom it was intended is unknown. The book has attracted lots of attention with its scenes of sports & free-time activities common during that time, including one with golf, from which the book takes its name.

Besides the marginal scenes the illuminations of the calendar are characteristic of 16th-century life, both in work and free time. Facsimile: original format, 14.5 x 22 cm, 60 pp, plus scholarly commentary. Published in 2004 by Moleiro Editor. Euro 1,971
